CCMSI 2600 Lake Lucien Dr. Ste 225 Maitland, FL 32752

P: 407-660-5604

Kris McConnell is a proven leader in insurance and risk management endeavors. She's experienced in claims, loss prevention, operations, business analysis, project management, application design, implementation and training.

Kris has worked in the field of Insurance claims for over 29 years. She joined CCMSI as State Director in November 2012. Prior to CCMSI she was with a large Fortune 500 company for 10 years employed in the field of Risk Management/ Claims Management. She was also in Management for a large Carrier for nearly 14 years in various roles from Claims Specialist to Claims Manager.

Kris acquired her ARM designation and holds a CWCL designation. She got her BA at Rollins College and AA from Valencia College. Kris has been a member of the BOD for Central Florida RIMS since 2009 and has been a member of the WCI Conference Planning Committee for over 15 years.

CCMSI is a leading third-party administrator for workers' compensation and property/casualty self-insurance programs. Since 1978, we've successfully administered and provided claim services to individual and group clients, nationwide. Our approach to claims management includes providing sound technical resources, strategic insight, efficient and accessible computer systems, cost containment practices, and the seamless administration of your losses. Our adjuster turnover rate is less than 5%. This is crucial in establishing continuity between your primary contacts and the adjustment staff.

Specialties

CCMSI specializes in serving the following industries: governmental, construction, gaming, health care, higher education, manufacturing, school districts, transportation, restaurants and retail, among others.
