

## **Michael Belcher, CSP**

Michael Belcher is Vice President, Risk and Safety for DS Services Inc., the U.S. leader in home and office water, coffee and tea delivery, where he leads safety and health efforts that affect more than 5,000 employees. Belcher devotes most of his time working to align safety and risk management processes with desired business outcomes while managing a multimillion dollar budget. With 20+ years' experience as a risk and safety professional, Mike has worked successfully with various employers to control losses, improve operational performance, and prevent injuries, illnesses, fire and vehicle accidents. He holds a B.S. in Industrial and Systems Engineering from University of Florida. Mike is a published author, a frequent speaker at professional conferences, and the immediate past president of the American Society of Safety Engineers.
