Steve Cassell is the President & CEO of Command Investigations, the nationally-recognized preferred provider of investigative services to the insurance defense community.

In 2012, Cassell founded Command Investigations - a final business iteration, following 20 years of successful work within the investigative and insurance claims communities.

Under Cassell's leadership, Command has developed into the industry-leading provider of surveillance, SIU & Anti-Fraud Programming, iNQuest<sup>TM</sup> medical canvasses, background investigations and Claims Buzz<sup>TM</sup> and Claims Buzz Monitoring<sup>TM</sup> social media investigations.

Cassell is also the co-founder the National Investigative Training Academy, Inc. (NITA). NITA is a national online provider of accredited state-approved private investigator training classes. NITA's investigative training courses provide a broad range of curriculum appealing to professional investigator.

In 1999, Cassell founded RSight Investigations, Inc., a national private investigative agency, servicing the insurance defense community. After 10 years of successful business operations, RSight was sold to a private equity company in 2009.

Additionally, Cassell is a nationally recognized leader and speaker within the insurance and investigative industry, and has been profiled in national, regional and local media publications.

Cassell is a published author and has appeared in more than a dozen trade-related publications. He has led lectures and training courses to various organizations on domestic and international levels.

A list of conferences and speaking engagements that Cassell has participated in include RIMS, PRIMA, FALI, IASIU, FDLE, IRMI, AAOHN, FSAOHN, FWCI, WIC, FASI, WCCP, DRI, and FMAA.
