AIG
175 Water St Fl 18
New York, NY 10038-4976

Debra joined AIG National Accounts Unit, in New York in 2003, with the objective to form a specialty underwriting team dedicated to the PEO segment. In that role, she established the PEO unit and formalized the integrated service mechanism that AIG offers its PEOs through support areas which include policy issuance, underwriting, premium audit, claims and regulatory reporting.

Her insurance career began in Philadelphia, PA and for over 30 years, she has relocated for the "love of insurance" to exotic destinations--Buffalo, NY, Nashua, NH, and Richmond, VA--with well known insurance carriers, such as Continental Insurance and ACE. Prior positions have included those in HR Management, Training & Development, Agency Sales and Marketing, Management of a Personal Lines Processing Center and Management of Commercial Lines Underwriting and Reinsurance.

Debra is a graduate of St. Bonaventure University with a BA in History and has achieved both the CPCU and the ARe (Associate in Reinsurance) designations. Debra has been involved with NAPEO since 2003, and has participated actively in reviewing and offering recommendations to proposed rules and regulations for the PEO industry.
