

Robert D. Dixon, Jr., LCPO

Hanger Clinic
8827 Hawbuck Street
Trinity, FL 34655
727-375-8196
rdixon@hanger.com

American Board Certified Prosthetist and Orthotist, Florida State licensed Prosthetist and Orthotist. Area Clinic Manager for Hanger Clinic in the Tampa Bay Area. Robert has been practicing in the field of prosthetics and orthotics since 1992 and graduated from Florida International University in 1995. Robert practiced in Orlando for several years, but has primarily practiced in the Tampa Bay area. He has been engaged in various aspects including clinic management, patient care, product oversight, clinical training and mentorship for residents, and developing market strategies for business growth. In 2013, Robert became an Area Clinic Manager, and in this role began focusing on different facets for local offices and team members. He works to ensure offices provide clinical excellence and patient satisfaction, mentoring with clinic managers, education and training for team clinicians, compliance and policy overviews, internal auditing, community services, and developing relationships in medical communities. Recently, he has been leading the area and the Hanger Florida market in providing continuing education to physicians, nurses, therapists, case managers, social workers, and insurance providers.
