

Dr. Daniel Dodd

Dr. Daniel Dodd of Jacksonville, Florida, has been a practicing chiropractic physician since 1983. He became interested in chiropractic in undergraduate school after discovering it from friends. He graduated from Life Chiropractic College in 1982 and practices with his wife, Dr. April Dodd. He has lectured at several companies in the Jacksonville area on safety, ergonomics and wellness. He enjoys helping people personally injured on the job, at home or in a motor vehicle accident.

He is past president of the Florida Chiropractic Association (FCA) and has held several committee chairmanships within the FCA including Medicare and Workers' Compensation. He has been honored three times with Kudo Awards from the FCA for outstanding achievement and was chosen Chiropractor of the Year in 2008 for outstanding service to his community. He was also Spring Convention FCA Honoree 2012. Dr. Dodd also serves on First Coast Service Options Medicare Chiropractic Advisory Committee for the State of Florida. He has been active in the West Side Rotary for the last fourteen years and is past president.

Daniel met his wife at Life Chiropractic College, married and had his first child while in school. He and his wife are the parents of three children: Ashley Dodd, Brandon Dodd (Megan), and Riley Dodd. Ashley and Brandon are both attorneys in Jacksonville and Riley is a May 2016 graduate of Florida State University.
