Michael is a graduate of the University of Massachusetts Dartmouth where he earned his Bachelor of Science in Human Resources Management. Since then, Michael has spent a total of 6 years thus far in the Insurance Industry. Initially began his career as a Registered Representative of New York Life Insurance Company in Hartford, CT. In April of 2013, Michael accepted a position with the Travelers and moved to Central Florida where he began his career in Workers' Compensation. Michael is a licensed insurance professional that is currently working within the Investigative Unit for new Workers' Compensation claims at the Travelers. Michael handles several large accounts for the Travelers and investigates claims where compensability is at question.
