

Lisel Laslie, Bureau Chief, Data Quality & Collection, DWC

Lisel Laslie is the Bureau Chief in the Bureau of Data Quality and Collection. The bureau is made up of the EDI (Medical and Claims) team, Triage and Training team, Records Management and Public Records teams.

Lisel joined the Division in 2015. Prior to joining the Division, Lisel worked with the Department's Division of Risk Management since 2002. She began as a Senior Workers Compensation Claims Examiner, later transferring to positions of Workers Compensation Claims Specialist and Management Review Specialist within the Bureau of State Employee Workers Compensation Claims. In 2010, Lisel accepted a position as a Senior Management Analyst Supervisor, and led the Data Management Team at the Division of Risk Management and acted as the Administrator and Contract Manager for the Divisions of Risk Management's RMIS system.

Before coming to the Department of Financial Services, Lisel worked for a hospital, a TPA, and an HMO in Tallahassee, FL as well as an HMO and a hospital in Miami, FL. Lisel has over 15 years of healthcare management experience, with a concentration in the reimbursement and training areas.

Lisel attended Florida State University and holds a degree from Belford University. She is currently pursuing a degree in Administration with the University of West Florida.
