Torben Madson is a partner with Miller Tack & Madson, heading up the Firm's Apalachicola office, and a nationally recognized speaker on insurance and regulatory matters related to the PEO and staffing industries. For the past 23 years, Mr. Madson has focused his practice primarily on administrative law to include workers' compensation, insurance and regulatory matters. He is a member of the NAPEO Legal Advisory Council and the FAPEO Insurance Task Force, and is a PACE subject matter advisor. He is a Master Mason and a Noble Shriner and is widely considered to be the world's worst golfer and an even worse fisherman. These rare qualities are factors he attributes to a happy marriage and which allow him to spend quality time with his lovely wife, Sarah, and their three furry children.
