

DAVID E. PERLOFF, M.D.

Dr. Perloff has been certified to treat workers' compensation patients since the beginning of his practice in 1997 and is involved in all aspects of care for the workers' compensation patient, serving as a treating physician, performing record reviews and IMEs. He also serves as an expert medical advisor for the courts on workers' compensation issues. He received his undergraduate degree and Doctor of Medicine from the University of Miami in Miami, Florida where he earned numerous awards and honors including the James McKnight award, the McGraw Hill book award, the John M. Marsh Prize, being inducted into the Alpha Omega Alpha medical honorary society, and graduating Summa Cum Laude. He is board certified in Cardiology and is a fellow of both the American College of Cardiology and the American College of Physicians. Dr. Perloff has recently accepted a position with Tenet Health as the Medical Director of Cardiology at Florida Medical Center and is also Chair of the Department of Medicine at Broward Health Medical Center. He is active on the board of directors of the Florida chapter of the American College of Cardiology and is the Immediate Past President of the Broward County Medical Association. His practice is located in Fort Lauderdale, FL, where he specializes in general and invasive cardiology.
