Certified Suboxone prescriber Since 2011

Advanced Cardiac Life Support Certified exp: 2018

USMLE ID 5-141-954-7

AAMC: 11235828

WORK EXPERIENCE: PAIN MEDICINE

Owner/Physician, Beaches Laser Spine and Pain

August 2016-Present

Jacksonville, Florida

- Successfully opened two offices in the Jacksonville area. Responsibilities include all aspects of the medical practice, including management, marketing, billing, patient development, etc.
- The pain management practice provides a range of services for adult and pediatric patients suffering from chronic and debilitating pain. Patient care includes review of the patient's medical history, liaison with treating physicians, and ordering diagnostic tests to diagnose, and determining a viable treatment plan.
- Treatment plans are determined based on the patient's diagnoses, age, prior treatment, mental state, biopsychosocial health and many other factors. The treatment plans often include medicinal management and counseling, interventional procedures, including epidurals, facet joint injection and radiofrequency ablations. In some cases, the patient's treatment may include bone marrow aspiration concentrate therapy, vertebral augmentation, intrathecal pump therapy, neuromodulation, or regional nerve blocks, which I perform at 2 local hospitals or the ambulatory surgery center.

Owner/Psychiatrist, Beaches Behavioral Medicine

August 2016 - Present

Jacksonville, Florida

- The practice is managed in connection with Beaches Laser Spine and Pain.
- Psychiatric services are focused on the needs of children with autism and pain disorders such as abdominal pain, ankylosing spondylitis, sickle cell disease, or complex regional pain syndrome using psychotherapy, meditation, relevant diagnostic studies and medication optimization while working with their pediatrician and other medical specialists.

Medical Director, CORA Physical Therapy and Rehabilitation October 2016- present
Jacksonville Beach, Florida

- Oversee clinical practice and review protocols quarterly for therapy center.

Director/Physician, Tampa Pain Relief dba Surgery Partners August 2014 - August 2016
Jacksonville, Florida

- Solo practitioner at the Jacksonville office
- Responsibilities included staffing and performing as the sole physician for the company in the Jacksonville market.
- Treatment included comprehensive evaluation and both medical and interventional treatments for all painful adult conditions.

Director of Pain Management /Integrated Surgical February 2014 – August 2014
Jacksonville, Florida

- A multidisciplinary practice with neurosurgery, orthopedic surgery, physical therapy and neurology.
- I was hired to perform evaluations and all interventional pain services

Director of Pain Management /EMed Mulitspecialty March 2013 – February 2014
Jacksonville, Florida

- Responsibilities included psychiatric care and interventional pain medicine
- After becoming board certified by the American Board of Pain Medicine my position changed clinic director. The clinic specialized in the non-opiate management of chronic pain for adult patients.

ADDITIONAL EXPERIENCE

2011-2012	Transferred from Johns Hopkins Hospital to Indiana University to gain further experience with interventional pain management. I spent four days weekly in the adult and the pediatric pain medicine centers assisting in all procedures and clinics prior to beginning my pain fellowship.
2011-2012	Worked throughout the year in the Riley Hospital Pediatric Pain Clinic as well as the Pediatric Addictions Clinic. Performed elective months in the Pediatric Spasticity and Neurology Clinic.
2010-2011	Worked as a Consultation-Liaison Psychiatrist for Pediatric Hematology and Oncology services and shadowed Johns Hopkins Pain Medicine Service.
2007-2011	Trained extensively in Addiction Psychiatry at Tulane Hospital and provided assisted with pain management as a consultation-liaison psychiatrist.

INTERVENTIONAL PROCEDURES performed under fluoroscopic or ultrasound guidance:

Sacroiliac joint injection	Sacroiliac Simplicity III	Radiofrequency Ablation spine and joint
Epidural injections	Stellate Ganglion	Celiac Plexus
Facet joint injections	Lumbar Plexus	Lateral Femoral Cutaneous Nerve
Greater Occipital Nerve	Discography	Botox for spasticity and migraine
Peripheral joint injections	TMJ Injection	Sphenopalatine Ganglion Injection
Piriformis Injection	IDET	Epidural Adhesiolysis
MRI and XRAY Interpretation		
Kyphoplasty		
Pelvic injection: Ilioinguinal, genitofemoral, PFCN, Ganglion Impar		
Regenerative medicine: Platelet Rich Plasma (PRP) and Bone Marrow Aspirate (BMAC)		
Spinal Cord Stimulation Trial and Implantation		
Intrathecal Medication Trial and pump Implantation		
Percutaneous Partial Discectomy (Hydrocision)		

PSYCHIATRY EXPERIENCE:

2016 –Present	Beaches Behavioral Medicine
2016- Present	Chief psychiatrist for SEDNET child advocacy organization. I provide consultation and care for patients deemed inappropriate for residential care due to severe disability, violence, or failure to improve with prior inpatient and outpatient care.

CONFERENCES/WORKSHOPS ATTENDED/PRESENTED/SPOKEN:

2017

- Video blog on pain management: pelvic pain, interstitial cystitis, fibromyalgia, neck pain, back pain, headache, regenerative medicine, and neuropathy episodes
- August: News4Jax WJXT4 3 episode series on Addiction Medicine and Treatments
- August: Action News Jax- "responsible cannabis prescribing to decrease opiate usage"

2016

- July 2016 Hosted first annual "Run To Wellness 5k" raising \$12,000.00 for Daniel Kids and promoting mental health and responsible pain medicine. Also appeared on New4Jax River City Live television show to promote the run and discuss both Daniel Kids and Beaches Behavioral Medicine.
- The Buzz radio and television appearance to discuss responsible prescribing and addressing concurrent mental illness and pain.
- October Hosted "Pain in the Pelvis: Solving Chronic Pelvic Pain" along with Smart Body Physical Therapy discussing Ganglion Impar, Genitofemoral, and Ilioinguinal Neuralgia
- Florida Society Interventional Pain Physicians annual conference

2015

Keynote 2015 SEDNET Conference "Appropriate pharmacology in children and adolescents"

2014

UF Primary Care Pain and Addiction Conference

Hydrocision percutaneous discectomy cadaver workshop

Attended ISIS annual conference

Attended ASIPP annual conference in New Orleans

Attended FSIPP Chronic Opioid and Pain Management annual conference, practicum, and seminar

Attended Neurotherm Cadaver workshop for advanced training on Kyphoplasty, Simplicity III, and geniculate nerve RFA.

Lecturer at Brooks Rehabilitation Hospital

2013

Attended North American Neuromodulation Society NANS conference

Presented Anesthesia Grand Rounds "An approach to Pediatric Pain"

Attended the Medtronic Graduating Fellows Worksh

Attended American Society of Regional Anesthesia and Pain Medicine (ASRA)
national conference.

Attended the St Jude and Medtronic cadaver implant workshops

2012

Attended ASIPP national conferences

Attended Boston Scientifics Spinal Cord Stimulator cadaver workshop

2011

Attended the ISIS Comprehensive BIO-Skills Cadaver workshop on cervical and thoracic
epidural Injections

Attended the ISIS National Convention in Chicago, Illinois

PROFESSIONAL ORGANIZATIONS:

1. American Medical Association- 2002-2016
2. American Psychiatric Association- member since 2005
3. American Child and Adolescent Association of Psychiatry- member since 2006
4. International Spine Intervention Society (ISIS)- member since 2011
5. American Society of Interventional Pain Physicians (ASIPP)- member since 2011
6. The American Pain Society (APS)- member since 2010
7. Florida Society of Interventional Pain Physicians- Member since 2013
8. Jacksonville Psychiatric Society- member since 2013

RESEARCH EXPERIENCE:

- 2013 Guest lecturer on Genetic Screening for Psychiatry and Pain Management for Soothe
Pharmacy.
- 2012 Submitted for publication a literature review article on the use of STX209
Arbaclofen for treating aggression and altered social functioning in patient's with
Autism.
- 2011 Reviewer for Journal of Pediatric Psychology with Dr Eric Scott PhD
- 2006 Graduated Research Honors State University of New York at Buffalo School of
Medicine
- 2005 Thomas Detre Summer Research Fellowship. Worked with Dr Boris Birmaher, M.D. at the
University of Pittsburgh validating a functional disability rating scale for children with
Bipolar Disorder.
- 2003 Summer Research Fellowship. Worked with Dr. Lois Arend, Ph.D. at the University of
Rochester, NY. I worked on the design of antisense oligonucleotide sequences to
investigate the role of Sphingosine-1-Kinase in kidney organogenesis. The results were
later published in an article: Smac3, a Novel Smac/DIABLO Splicing Variant, Attenuates
the Stability and Apoptosis-inhibiting Activity of X-linked Inhibitor of Apoptosis Protein.
The Journal of Biological Chemistry. Vol. 278, No. 52, Issue of December 26, pp. 52660-
52672, 2003

- 2002 Summer Research Fellowship. Worked with Dr. Scott Brady, Ph.D. at Southwestern University in Dallas, TX. I examined the molecular mechanism underlying axonal transport of sodium channels in neurons.
- 2001 Summer Research Fellowship. Worked with Dr. Michael Miller, Ph.D. at Upstate Medical University in Syracuse, NY. I investigated the role of SRC Family Kinase in early brain myelination using TUNEL staining of wild-type and Fyn knockout mice. My research was published in a rapid communication in the Journal of Neuroscience.
- 1999-2002
Neuroscience major at the University of Rochester in Rochester, New York. Worked with Dr. Howard Federoff, Ph.D. studying the effects of overexpressing Nerve Growth Factor in mice learning.

AWARDS:

- | | |
|------|---|
| 2011 | Recognized for excellence in patient care by Riley Hospital Sarkin Autism Center. |
| 2010 | Received 5 patient recommendations for the excellence in patient care award and received personal recognition by Johns Hopkins Hospital CEO |
| 2009 | Educational Outreach Award for General Psychiatry Resident |
| 2009 | American Academy of Child and Adolescent Psychiatry Outstanding General Psychiatry Resident Award |
| 2008 | Owl Club excellence in medical student education award |
| 2006 | General Pediatrics Resident of the month |
| 2006 | Graduated Medical School with Research Honors |
| 2005 | APA travel grant, Dr Thomas Detre research fellowship award |

OTHER NOTABLE ACCOMPLISHMENTS:

- | | |
|-----------|--|
| 2017 | Editorial Board Pain Physician |
| 2016 | Organized Beaches Laser Spine "Run to Wellness 5k" with proceeds benefitting Daniel Kids NPO |
| 2015 | Donna Foundation Marathon to benefit breast cancer research, Keynote speaker for SEDNET annual conference on child trauma and responsible psychiatry. |
| 2014 | Tough Mudder, Habitat for Humanity, BFAST triathlon top 10 finisher. |
| 2013 | Very Proud father |
| 2012 | Completed several sprint triathlon races |
| 2011 | Completed St Jude Marathon |
| 2010 | Published fun New Orleans cuisine article for the national academy of adult psychiatrists that was published in several journals:
www.http://pn.psychiatryonline.org/content/45/4/20.1.full |
| 2008-2010 | Participated in 6 Olympic triathlons and 3 marathons |

2008-2010	Captain of Tulane psychiatry volleyball team
2007-2010	Captain in weekly sailing regatta and annual Leukemia Cup Regatta
2007-2010	Active member of New Orleans Habitat for Humanity
2009	Established a sustainable clothing drive for psychiatric inpatients at DePaul hospital in New Orleans, LA.
2009	Established free weekly dental, medical, clothing services for psychiatric patients at DePaul hospital in New Orleans, LA
2007-2009	Pediatric Advanced Life Support (PALS) instructor

Medical School Activities

2004-2006	Volunteer at the Lighthouse refugee medical clinic
2004-2006	Co-founder of medical supply recycling program- sent 3 tons of used but functional medical supplies abroad.
2004-2005	American Medical Student Association- President of Buffalo chapter

Undergraduate Activities

2001-2002	Senior Class Council (elected social chair)
2001-2002	Neuroscience council (Vice President)
2000-2002	Alpha Phi Omega community service fraternity
2000-2002	Golden Key Honor Society
2000-2002	Rescue squad EMT, UR PEACE co-founder, habitat for humanity, intramural tennis, ski club.
