

Stephanie Sweeney

Stephanie Sweeney is the EDI QA Manager in the Virginia Workers' Compensation Commission's EDI Quality Assurance Department. Since she began her employment with the Commission in 2000, she has served as an Awards Specialist and Team Leader in the Commission's old Awards Department. Prior to accepting a position in the EDI QA Department, Stephanie also served as a Subject Matter Expert during the Commission's Technology Alignment Program where the Commission's new Claims Processing System was developed and the EDI Program implemented. She has worked with the Commission's EDI program since its inception and has managed the program and the EDI QA Department since 2011.
