

Jarrod S. Steffan, Ph.D.

Jarrod Steffan, PhD, LLC
Wichita, KS

Steffan is a Licensed Psychologist in Kansas and Missouri, having earned a doctorate in Clinical Psychology from Texas Tech University and completed a postdoctoral fellowship in forensic psychology within the Department of Forensic Services at the Center for Behavioral Medicine and the Department of Psychiatry at the University of Missouri at Kansas City School of Medicine. Dr. Steffan has maintained a private practice in forensic and clinical psychology since 2007. His practice has been focused on providing expert testimony and evaluations upon referral from attorneys and courts in criminal and civil proceedings. He routinely has been consulted in complex legal cases, and he has a particular interest in accurate diagnosis of mental disorders. Dr. Steffan's activities have been recognized through awards bestowed by the American Psychology-Law Society (Division 41 of the American Psychological Association [APA]), Psychologists in Public Service (Division 18 of APA), Society for Personality Assessment, and American Academy of Forensic Psychology.
