

Andrea J. Buhl, MSN, RN, FNP-BC**SVP, clinically integrated medical programs**

Andrea Buhl is a Senior Vice President who works with prominent customers, including many of the Fortune 500, to mitigate workers compensation costs and promote positive claim outcomes for injured workers. As the leader of clinical programs at Sedgwick, Andrea has been instrumental in developing state of the art medical cost containment solutions through organic growth and acquisition. Her experience as a registered nurse and family nurse practitioner has been influential in designing services that improve the health care process for payors, providers and consumers.

Andrea's ability to identify key strategic initiatives and deliver results was recognized by Business Insurance Magazine when she was selected as a 2018 Woman to Watch.

Andrea holds a Bachelor of Science degree in nursing from the University of Utah and a Master of Science degree in nursing from Duke University.
