Maggie Conatser

Prior to coming on board with Next Level Administrators in October of 2016, Ms. Conatser held the position of Risk Manager for FICURMA, Inc. and was responsible for managing claims activity for a Risk Retention pool, consisting of 15 private colleges and schools. She oversaw mitigating the organization's exposure to risk by formulating, developing, and coordinating all claims-related activities, for all lines of coverage. She has also held various positions with PMA Companies, AIG and Fireman's Fund Insurance to include expertise in catastrophic claims investigation and client service management as well as regional claims supervisory experience.

Ms. Conatser is a Certified Litigation Workers' Compensation Adjuster (CWC & CWCL) and holds licenses in FL and GA. She is also a board member for the Workers' Compensation Institute (WCI) and has been a speaker at the WCI Education Conference.
