

Kimberly George

SVP Corporate Development, M&A, and Healthcare
Sedgwick

There is no place I would rather be than working with Sedgwick's clients, colleagues and partners to improve outcomes for the American employee.

Kimberly George has been a registered nurse for more than 20 years. Although she began her career as a neuro-trauma nurse, she quickly transitioned to the insurance and benefits arena. Her experience in the cost containment field spans nearly 20 years.

Location

Chicago, IL
