Board Certified General Surgeon
Certified W/C Provider/Instructor

ABOUT KEVIN HIRSCH

DOCTOR HIRSCH HAS BEEN A HERNIA SPECIALIST FOCUSING EXCLUSIVELY ON WORKERS COMP HERNIAS FOR OVER 20 YEARS. HE BELIEVES DOING ONLY ONE THING, REFLECTS BEING "BETTER" AT IT. SEEING PATIENTS QUICKLY, REPAIRED QUICKLY, AND RETURNED TO LIGHT DUTY IN DAYS, GIVES HIM PRIDE AND THE ABILITY TO TELL PATIENTS THEY ARE RETURNING EARLIER WITH LESS PAIN AND COMPLICATIONS BECAUSE HE IS FOCUSED ONLY ON THEIR HERNIAS.

DOCTOR HIRSCH ENJOYS THE CASES AND THE PEOPLE, GIVES HIS EMAIL AND CELL TO ALL, EVEN ENTERTAINS ANYONE THAT HAS A QUESTION. HE LIVES AND WORKS IN ST. PETERSBURG FLORIDA, SEES PATIENTS FROM ALMOST EVERYWHERE, AND SAYS HE WON'T RETIRE UNTIL HE CAN'T DO HIS JOB WELL EVERY DAY.

LINDA IS HIS WIFE, OF 33 YEARS AND BOTH OF HIS SONS, ZACK AND DAKOTA, HAVE CHOSEN MBA DEGREES VS MEDICINE; MOST LIKELY TO AVOID THE VAGARIES OF HEALTHCARE IN THIS ERA.
