

Nathan Hughes

Nathan Hughes is the Director of Risk Management at Safelite Group, Inc., the nation's largest aftermarket vehicle glass repair and replacement (VGRR) company. Based in Columbus, Ohio, Safelite employs over 13,000 associates nationwide, maintaining a fleet of just over 8,000 vehicles. Safelite is owned by Belron, a European based company and the world's leading vehicle glass repair and replacement group. Home to 29,000 associates, Belron operates across 30 countries and 5 continents.

Nathan's career at Safelite began in 2001, focusing primarily on claims management and oversight. His responsibilities would eventually increase to include the oversight and management of the entire risk portfolio for Safelite, including insurance procurement, health/safety and claims oversight. Nathan has over 20 years of experience in the risk and insurance industry and is very active in the local RIMS Chapter, having served as Chapter President from 2010- 2012.
