

Jodi Loud, BSN, RN, IMF, CCM, CLCP, MSCC
The Hartford
Brain and Spinal Cord Injury Specialist, Home Office Consultant

Jodi Loud joined The Hartford in 2009. Her current role is the Brain and Spinal Cord Injury Specialist, Home Office Consultant. Her responsibilities include travelling nationally to meet with injured workers and their families, helping them understand and adapt to life-changing injuries and offering specialty medical care. She works with them through the rehab, recovery, and adaptation, both physically and mentally. Jodi also resolves appropriate claims, evaluation through complicated and creative settlement processes, allowing the worker to live independently of the workers' compensation system, so they can begin living their new normal.

Jodi has worked in the workers' compensation industry for over 20 years, first starting as a field case manager, with experience over the years in ergo, UR, management, life care planning, and MSA's. She is a registered nurse and is certified as a case manager, life care planner, MSA consultant, and injury management facilitator. She graduated Cum Laude from American International College with a Bachelor's of Science in Nursing. Jodi lives in a small town in Western Massachusetts, with her two children.

Jodi has been awarded the 2018 Comp Laude Award for Medical Professional for her exceptional advocacy on behalf of injured workers. **She also won the Hartford Insurance Company's Chairman Award 2018**, The Hartford's highest honor, recognizing her for the embodiment of their Restoring Lives philosophy.
