Dr. Anne-Marie Puricelli is a Director of Medical Operations for Concentra Medical Centers. She attended Saint Louis University, graduating summa cum laude in 1982 and received her Doctor of Medicine degree from St. Louis University School of Medicine in 1986. Dr. Puricelli received her Juris Doctorate degree from Saint Louis University School of Law in 1994. She was a member of the Occupational Medicine Advisory Committee for Saint Louis University's School of Medicine.

Dr. Puricelli has practiced in occupational medicine since 1991. She is board certified in Internal Medicine and in legal medicine in 1998 and was accepted as a Fellow in American College of Legal Medicine. She currently chairs the Concentra Transportation Medical Expert Panel and was a co-developer of the COHRI FMCSA/NRCME Online and Live courses 2013-present (ongoing lecture series). She has given numerous presentations to clients on DOT Regulations, workers' compensation fraud, Pandemic Flu preparedness, and other occupational medicine related topics.
