

Grace Never Lost her Smile

Five-year-old Grace, from New Mexico, has a smile that could light up a room! Diagnosed with acute B lymphoblastic leukemia when she was five, she took the trip of her life to Give Kids The World Village in Kissimmee, Florida.

[Give Kids The World Village](#) is an 89-acre, whimsical nonprofit resort, that provides week-long, cost-free wish vacations to critically ill children and their families from around the world who want to visit Central Florida. Families that visit Give Kids The World must be referred by one of more than 250 wish-granting organizations or foundations, such as [Make-A-Wish Foundation](#).

A stay at the Village is much more than a weeklong vacation; it's a chance for these families to laugh together, play together, and create unforgettable memories away from hospital stays and medical treatments.

"Never seen such a strong child," Grace's mom told us. "Through it all she never lost her smile. Her wish was to meet Elsa and [Give Kids The World Village] made that happen. That trip for her, me and her brother will always be a highlight of our lives."

Last year, the Village closed to wish families like Grace's due to the global pandemic, delaying more than 6,000 wishes. Despite the closure, the Village created a unique opportunity last December for visitors and donors to experience – Night of a Million Lights. Night of a Million Lights was designed to raise funds to ensure that the wishes of critically ill children could return bigger and

better than ever before once the time was right to reopen. Last year, USA Today named Night of a Million Lights the "Number One Thing To Do in December in Orlando."

It was such a huge success that the Village has decided to do it again this year and the [Workers' Compensation Institute](#) is playing its part in bringing it back. WCI has organized a Gala event "Winter Wonderland" to be held December 11, 2021 in conjunction with GKTW's second annual Night of a Million Lights.
